

Supports Van Winkle-Scherf

To the Editor:

Please join me in voting for Susan Van Winkle-Scherf for the Region 14 Board of Education.

Susan's family has been in Bethlehem since the 1920s. She and her husband moved back to town a couple of years ago because they wanted to raise their children in a supportive, family-strong and tradition-oriented community.

They settled into the house where her great-grandparents raised their children, and they are hard at work restoring the homestead.

Susan is a natural educator and leader. For the past 20+ years, she has enhanced these skills in a number of education-oriented positions.

She has made a lifelong commitment to environmental stewardship and continually strengthens that commitment through her efforts to foster and sustain an environmentally-friendly way of life for her family.

At this divisive time in the Region 14 community, we need a leader who listens to and considers opposing viewpoints and who will strive to bridge the growing divide for the good of the district, our children and our future.

As a member of the board, Susan will bring her natural penchant for inclusiveness, an innate desire to find solutions, and a readiness to act for the greater good.

She will be a steady and consistent force for Region 14.

Please vote for Susan Van Winkle-Scherf on June 7.
